CCRPI Score and Climate Stars Score

On November 2, the schools of Georgia were informed of their CCRPI (College and Career Ready Performance Index) scores and climate ratings. Once again, Hahira Elementary was named a 5 Star School and our CCRPI rating is 93.7%. Mrs. Mathis and Mr. Wilkes announced the results at the end of the day and then surprised the faculty with The Mix Truck! It was a wonderful celebration! We appreciate all the hard work of every person on staff. Our success was the result of everyone working together! Congratulations teachers and staff of HES! Iris and Neil

Math Is Radical

The fifth grade math teams did an OUTSTANDING job representing HES at Lowndes High's "Math is Radical" competition on Nov. 2! Our two teams placed 1st and 2nd out of the 14 teams representing the Lowndes County elementary schools. The first place team members were Lena Sumner, Ryan Bellflowers, Gavin Chamberlain, and Gracie Smith. Our second place team consisted of Jackson Schwab, Luke Powell, Jaelynne Rosier, and Eli Mason. In addition, three of our students placed in the top three of the 56 students competing: Ryan Bellflowers - 1st Place; Lena Sumner, 2nd place; Gavin Chamberlain, 3rd place. The teams were coached by Michelle Lipscomb and Julie Gane. Fantastic job, students!!

Above is the first place team with sponsors, Mrs. Lipscomb and Mrs. Gane.

Cherrydale Magic Show

HES students worked very hard to raise funds during our recent Cherrydale fundraiser. As a reward for all their hard work, the students were treated to a Magic Show. Students were heard using words such as awesome and fantastic to

describe the show! Below are some pictures from the Cherrydale Magic Show!

Hungry At Home Kickoff
Mr. Allen kicked off the Hungry at Home food drive on Tuesday. Students are bringing non-perishable food items for students that need assistance with food on weekends. Classes are competing for parties. We will keep you posted as our food drive continues.

SAFE Award

HES had two employees honored at the Board of Education meeting on Monday night. Mr. Lemodis Lawrence was presented the SAFE Award for Custodial employees and Mrs. Pearlisa Beal was presented the award for School Nutrition employees. Congratulations on your award Lisa and Lemodis!

Girls On The Run

Our two GotR teams ran their first 5K Run at Lake Park on Saturday. Congratulations to Leah and Lauren Hurley and their girls on this accomplishment!

PBIS Update

Below is a picture of our Bee Buck Queen. She was spotted giving out lots of Bee Bucks for good behavior! Keep up the good work and remember, "Bee Responsible, Bee Respectful, and Bee Productive!"

Engaging Lessons

Second grade students love science: Last week we started our STEMscope unit on Stars. I learned that stars are made out of hot balls of gas. This is me making my constellation. First, I made the little bear constellation. I made them out of stars and popsicle sticks.

We watched Mystery Doug. He is my favorite :) There are 3 bones in each finger and in the thumb there are only two. I thought it was neat to learn that we have 27 bones in our hand!

Campus Beautification

Campus beautification has become a special project for many of our students and classes. Our Girls on the Run teams have been cleaning up the wooded area around the outdoor classroom. The Huck family has adopted the area along the fence as car riders enter the school. They came on a Saturday and collect several garbage bags of trash. It was Madison's idea. Madison is a 3rd grader in Mrs. Cowart's class. She was assisted by her brothers: Kallen in Mrs. Dalton's 2nd grade and Evan in Mrs. Rose's Pre-K class. We appreciate everyone that has taken an interest in campus clean-up and I have noticed many students picking up trash as they come in for recess. It is wonderful to see students Bee Responsible!
