

# HES BUZZ

## Latest news from the HES HIVE!

Hahira Elementary School

350 Claudia Drive

Hahira, GA 31632

Our week in review.....

March 29 – April 12, 2017

### Holocaust Museum Tour

Our 5th Grade Hahira Elementary students were able to walk through the HMS Holocaust Museum with HMS student guides prior to spring break. The middle school students were very informative and accommodating as they took HES students through the museum. Our students were able to gain a deeper understanding of the events during that terrible period in history. We were very thankful for the opportunity to participate in such a meaningful presentation. HES appreciates the HMS teachers and students allowing us to walk over and view this exciting display.

### Stakeholder Event

Mrs. Wisenbaker and Mr. Wilkes represented HES at a stakeholder's event at the Board of Education. This event was prior to spring break and showcased some of the things we are doing at HES.

### Spring Book Fair

Our HES Spring Book Fair was held the week of March 27 – 31 in the HES Media Center. Many parents were available each day to assist the students as they chose books to buy. A parent night was held on Monday night to allow parents to come and shop with their children after work. Thanks to Mrs. Plummer and Mrs. Phelps for organizing this wonderful event!

### PBIS Update

The HES PBIS Team met on Tuesday to review discipline data and plan the final event for PBIS. It will be a Popcorn, Pillow, and Movie Event. It should be lots of fun and we encourage our students to follow the rules and save those Bee Bucks for the event.

### Engaging Lessons

**Fifth Grade students are shown with their robotics project. Their challenge was to build a robot that could gather 3 blocks and place them in the green collection zone while avoiding the red zones and within 2 minutes. They were successful!**

### Upcoming Events

- April 13-14: Jekyll Island field trip – 3<sup>rd</sup> grade
