## Girls On The Run

Art teacher Leah Hurley is our Girls on the Run coordinator for Hahira Elementary. We had so many girls wanting to participate that we now have two teams. Ms. Hurley's team meets on Mondays and Wednesdays, and her sister, Lauren Hurley and Jennifer Sumner coach a team on Tuesdays and Thursdays. We are very excited about this new program! Below are some of Lauren Hurley's team playing a game in the gym. HES Volunteers are AWESOME!!!

## D.E.A.R.

D.E.A.R. stands for Drop Everything and Read. For 20 minutes each day, all HES students and teachers drop everything else and just read. It is a favorite time of the day as you can see from the pictures below:

## Engaging Lessons

Kindergarten has been busy practicing their classroom rule of "Be Responsible." They have shared many books, watched videos, and acted out being responsible in the classroom, hallway, restroom, and lunchroom. These boys are sharing during block time.

First grade is busy learning about nouns. They went on a Noun Hunt, Noun Hunt, Noun Hunt, and they weren't afraid! They captured places, things, and people!

Second graders have been busy learning about place value through "hands-on" games such as Race to 100 and Roll It, Build It, Expand It!

Mrs. Shiver's class has been reading books and news articles about ways to spread kindness in the community. The students painted rocks and placed them near the entrance of our school with the hope of brightening someone's day!

### Banana Messages

Our HES lunchroom staff are sending surprise messages to offer positive encouragement to our students in a very unique way. They are putting the messages on the bananas! Mrs. Tracey Cumbie in the lunchroom is always looking for ways to encourage our HES students. Below are two students proudly displaying their "banana messages!" **HES Lunch Ladies are AWESOME!!!**

### Message – Smile!
