Familiar Faces In New Places

Hahira Elementary School continues to grow! We have 821 students on the third day of school this year, which is 51 more students than we had a year ago. As we continue to grow, it is necessary to make changes to accommodate these new students. As a result, you will see many new faces at HES as well as many familiar faces in new places! We added several new positions this year and even added a new fifth grade classroom after school began. Below are some of our new staff and their positions:

Two new faces in fifth grade are Jennifer Lukens and Brooke Boyd and in fourth grade we have Chelsea Rowe and Amber Whitmer.

Danielle Wilkerson is a new teacher in kindergarten and Hannah Hewitt is new in first grade.

Holly Stoupe is new to our PE department.

New paras include Coretta Haddin (K), Laura Gustkey (PK), Beth Jackson (K), and Chrissy Hall (K).

Rachel Stracener is shown with her new class of third grade students.

Christy Trimble graciously moved classrooms to accommodate the new fifth grade. She can now be found on C wing.

Megan Ellis (shown on right) is now a para in Mrs. Shiver's classroom.

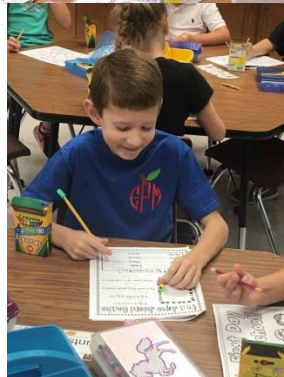

Above is a picture of our new head custodian, Mr. Lemodis Lawrence and new to HES are custodians Sa'Novia Thomas and Kenyada Berrien. They did an excellent job getting our school ready for Open House and the 1st day of school!

New faces in our HES lunchroom include Deborah Potts and Lisa Beall. It is wonderful to have their smiling faces to greet the students each morning for breakfast!

Open House and First Day of School

A heavy rainstorm did not dampen the spirits at our HES Open House! Students and siblings joined the over 900 parents that signed in while visiting their child's classroom. It was a joyous and exciting occasion as students met their new teachers and many then visited their former teachers. Below are some pictures from the Open House and the first day of school.
